

Sheffield Double Sided Scooter Rack

Scooters are proving an increasingly popular and fun method of transport for both children and the not-so-young alike, and ours is absolutely perfect for schools, public parks or any outdoor space. The Sheffield Double Sided Scooter Rack is surface mounted and manufactured from mild steel and then hot dipped galvanised as standard, making it ideal thanks to its toughness and durability.

With a capacity that can cater for up to 20 scooters, the Sheffield Double Sided Scooter Rack has a powder coating in a range of RAL colours available and is a great option for outdoor spaces that are frequented by scooter users.

L: 1050mm x D: 320mm x H: 800mm
