

A fine general-purpose mixture for landscape and lawns

- General landscaping
- Quality lawns
- Fine appearance

## Ratings

### Wear tolerance

### Recovery

### Close mowing tolerance

### Red thread tolerance

### Rust tolerance

### Colour

### Salt tolerance

### Shade tolerance

**Utility mixture will give good wear tolerance but with relatively low maintenance.**

The inclusion of a low percentage of ryegrass will provide a durable sward that will establish quickly.

| %   | Cultivar | Species     |
