Product Information

Andromeda Concrete Planters can be used as decorative elements of street furniture as well as access control. These dual purpose units share the same smooth surface as their bench counterparts. You can therefore suit any space whilst also matching the surrounding seating; there are various colours and proportions available.

Features

- Holes for water drainage in the planter base.
- Manufactured with two concrete supports in the base.
- Four different proportions/sizes available.

Materials Used

- Concrete

Options

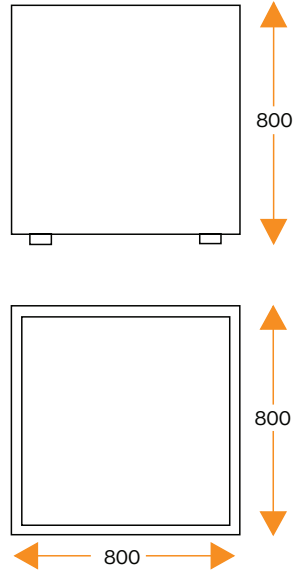

- Other sizes & configurations available: Mid square - 1150mm L x 1150mm W x 800mm, Low square - 800mm L x 800mm W x 800mm, Large rectangular - 2000mm L x 500mm W x 500mm H
- Available in natural-look concrete or polished stone.
- Available in standard acrylic paints: brick red, ivory, and concrete.
