An amalgamation of bronze rills and pools with elegant rippling fountains

- Bespoke size and shape
- Timeless bronze patina
- Bubbling fountains with radial patterns
- Tranquil sounds
- Beautiful stand alone focal piece
- Easy to install and maintain

THE IRUS™

An eye catching water wall with soothing waves of water

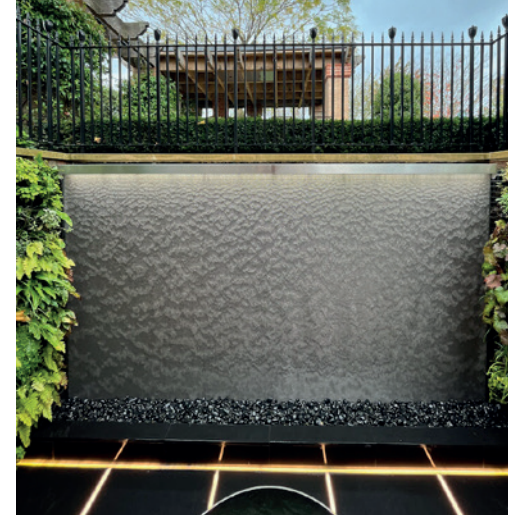

- Bespoke sizes
- Unique water patterns
- Relax to soothing sounds
- Choose your water pattern
- Compact design with limited splash
- Architectural Lighting
- Quality materials, made in the UK
- Self contained

THE VOLUTE™

A crystal clear water fall

- Captures attention
- Peace of mind – auto switch-off
- Easy installation
- Integral levelling system
- Low energy
- Installation freedom
- Easy to maintain

AQUAVEIL®

A seamless, free-standing wall of water

- Bespoke sizes
- A mesmerising effect
- Easy install – modular system
- Striking embossed water effect

A work of art. Made by skilled craftsmen, here in the UK.

BESPOKE PROJECTS

TILLS

The Water Feature Specialist

"We love our water wall, it blends beautifully into our garden and gets compliments from every visitor. Thank you Tills Team!"
