Profiled panel system

Find out more  
Scan for more information

## Description

CLD Ultimate is a high quality and versatile perimeter fencing system, available with either 3, 4 or 5 profiles depending on the height. Profiled sections increase the rigidity of the panels. Ultimate panels are fixed to posts using full length clamp bars, making for an exceptionally secure and difficult to climb perimeter. This system is ideal for schools, industrial estates or carparks

## Features

Difficult to climb

Approved by many planning authorities

Anti-vandal fasteners
