Description

CLD's DecoFence takes whatever intricate shapes and designs you desire, to create a uniquely stylish decorative metal fence panel. This can completely transform your fence line, ensuring your premises stand out from the crowd. We make steel or corten laser cut plates in the shape of motifs, company logos, a child's drawing or a famous piece of art; almost any ornamental metal fencing can be created. We can even decorate your entire perimeter with a specific theme or works of art – so the sky is the limit.

Features

Corten finish

Laser cut

No design limit
