

Bespoke and Custom Designs Aeration Systems

All our water fountains and aerators are available as a custom build, designed exactly for your requirements. We offer a full design, costing and build package for aerators and fountains along with specialist installation if required.

Heathland Service Centre

Everything supplied by our company is maintained and serviced in-house. Items can either be shipped directly back to our service team or if you prefer, we also supply onsite servicing.

Additional Services

We are the preferred Oase Water Treatment Professionals for the UK. Providing specialist treatments for string algae, blue green algae, aquatic weeds, and sediment reduction.

We strive to provide exceptional results for every budget and requirement, backed up by our industry accreditations from BALI, Constructionline, Contractors Health and Safety Assessment Scheme and Safe contractor.

Titan Series Floating Fountains

The Titan Series floating fountains shoot water to great heights from 7 metres to 30 metres! These fountains are the largest in our extensive selection providing an unforgettable spectacle.

The Titan Series floating fountains are perfect for any large lakes or water bodies.

These floating fountains ensure that you get a truly unforgettable visual impact. The Titan fountain displays are eye-catching no matter what the weather conditions may be. These fountains are available in a range of motor sizes ranging from 7.5HP to an outstanding 40HP!

Add beautiful LED lighting to any of the displays shown to create a wonderful display that can be appreciated day and night.

These floating fountains are comprised of the highest strength composite materials they also offer display patterns of the greatest height of their kind in the industry.

Based in Norfolk, we supply all parts of the United Kingdom, allowing us to deliver cost-effective solutions to any client. All our products are available for "supply only" or "supply and installation" across Europe.

Heathland Group is proud to have an extensive client base ranging from aquatic management service providers, schools and universities, local councils, hotels and holiday parks, golf clubs, fisheries and of course many homeowners all over the UK and Europe.
