

## GRENADIER™ LECTERN

Our stainless steel and Oak **Grenadier™** Lecterns combine durability and elegance, making them ideal for interpreting the natural history and heritage at any location. With a sturdy yet stylish design, they offer clear, accessible information for all visitors, including those with disabilities and children.

The lecterns' ergonomic height and angled surface ensure ease of use, allowing people of all abilities to engage with informative displays comfortably and meaningfully, enriching their experience of the surroundings.
