

MagPost: MP

Our MagPost is a unique scientific quality 5 x magnifying glass set on top of a hardwood post.

Children enjoy collecting small natural objects such as leaves and flowers and examining them in detail by placing them under the lens.

The large MagPosts are ideal as way markers along an outdoor nature trail or beside a picnic or outdoor teaching area.

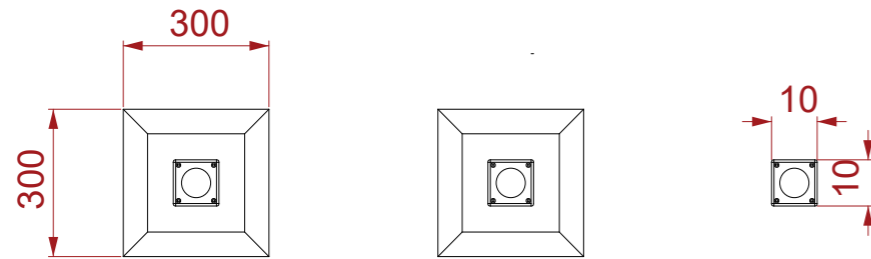

It is available in three sizes:

Large MP-1.3

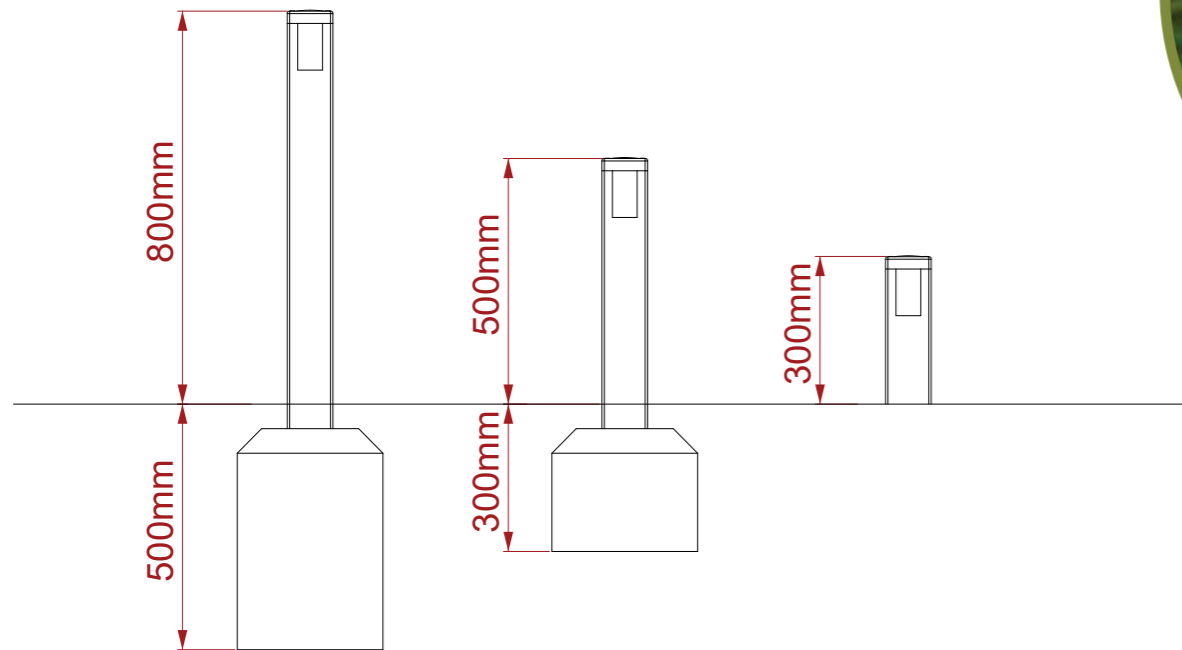

Small MP-0.8

Portable MP-0.3
