

Outdoor Play Shelter: CP-OPS + SANDPIT

This product is a high quality outdoor play shelter which has a sandpit floor added to create a unique outdoor space for children of all ages to enjoy. The floor space is 3.0m by 2.2m and is enclosed on the sides.

This product can be modified with additional seating, an access ramp, or sliding door if required.

The roof is constructed using quality overlapping panels with dressed timber end cap timbers for a clean finish.

Timber is a renewable resource, recyclable and biodegradable, and only timbers from sustainably-managed sources are used.
