

CONTEMPORARY FINGERPOST

Our **Contemporary Fingerpost** provides a sleek, modern wayfinding solution ideal for urban centres, campuses, and public spaces. Featuring clean lines and customisable directional arms, it offers clear, legible guidance to key destinations and facilities.

Constructed from durable materials with a refined finish, it's designed to complement modern architecture and environments. Perfectly matched with our Enigma™ monolith range, this system enhances navigation while maintaining a cohesive, contemporary aesthetic across your signage and wayfinding strategy.

Product features

- Stainless steel construction
- Variable direction arms
- Self adhesive vinyl lettering and logos
- Powdercoat finish to standard colour or brushed
- Single, double and triple line directional arms
- 1 year manufacturer's warranty

Specification applies to the standard product. Our range of options usually allow us to accommodate any differences you may require. Please contact us and we will be happy to support you in developing this specification to meet your requirements.
