Scan for more information

Description

CLD StoneFence is our stylish eco-friendly decorative walling. Using twin welded wire mesh panels to create a divide, the beauty of local stone, broken brick or other recycled products can be displayed. The resulting barrier is resilient, vandal-resistant and noise-absorbing, while also becoming a natural haven for insects and wildlife. StoneFence is also compatible with our Dulok system, allowing you to form secure barrier fences and walls of varying heights.

Features

Filled with the stone of your choice

Suitable for playgrounds, recreation grounds, parks, housing developments

Bespoke decorative panels available

Exploded view of post and fixing details for the CLD StoneFence. This product has additional features not demonstrated for security reasons.
