Giant Spinning Disc with Timber Boards (2024 Version) - 4017-2

 Print product

Introducing the Giant Spinning Disc with Timber Boards: A Modern Spin on a Classic.

Built upon our trusted and robust heavy duty bearing design, this disc offers a thrilling challenge. Easily moved and effortlessly spun, it invites users to test their balance and co-ordination while experiencing the exhilarating sensation of centrifugal force. Whether lying or sitting, children will strive to maintain their grip as the disc spins around.

The 2024 facelift design emphasizes the ease of repair and maintenance, ensuring maximum play and minimal downtime for years to come.

Specification

Height	852mm
Max Fall Height	1000mm
