Circularity score

Weighted emission factor of the product*

Disclaimer:

This dashboard for the circularity index of the 'Circular Product' certification was generated automatically and is based on the corresponding certification of eibe Produktion + Vertrieb GmbH & Co KG, Industriestraße 1, 97285 Röttingen, which was issued on 16 May 2024 by the Gesellschaft für Klimaschutz München GmbH (GKM GmbH) on the basis of the example product Albion play unit from the eibe unique® product line. eibe Produktion + Vertrieb GmbH & Co KG is liable for the accuracy of the contents. The award criteria of the private-law certification 'Circular Product' of GKM GmbH can be viewed at gesellschaft-klimaschutz.de/zertifizierung/zirkularitaet/.

* The CO₂e emissions of the materials used in the product are taken into account. The emissions that arise during the production process are allocated to the product on a pro-rata basis.
