

Bradford Stainless Steel Litter Bin

Part of our Bradford range, the stainless steel litter bin's main body comes in grade 304 or 316 stainless steel for more aggressive environments such as industrial or coastal areas. It's massively popular in densely populated areas such as outdoor shops and shopping centres. It comes with a brushed satin finish, 90 Litre galvanised liner, and an anti-tamper security lock for added protection and peace of mind.

It also features a pivoting lid allowing the easy removal of the liner, and a keyless integrated ashtray with easy empty tray built into the post, making it a highly sought-after solution to your outdoor litter disposal problems.

L: 650mm x D: 500mm x H: 1310mm x Capacity: 90L
