

Stainless Steel York Cycle Stand

Based upon the popular Sheffield hoop design, the Stainless Steel York Cycle Stand has an integral sign panel. Manufactured from grade 304 stainless steel with a brush satin finish, please note that grade 316 stainless steel is also available for harsher or more densely used environments.

Root fixed as standard, there is also the option of the Stainless Steel York Cycle Stand being surface mounted, whilst there is the option of having bespoke sizes with this product too. As cycling is a fast-growing method of transportation, there is a real need for outdoor spaces to provide the facilities and products to ensure security for their owners. The Stainless Steel York Cycle Stand allows you to do this.

H: 1100mm x D: 750mm x Dia: 48mm
