

Sheffield Toastrack Cycle Stand

The Sheffield Toastrack is our most popular cycle rack. It holds 10 bikes as standard and can be used as a stand-alone product or installed within a cycle shelter, which is always a popular choice to save space.

Manufactured from mild steel and hot dipped galvanised as standard, and optional powder coating to most BS or RAL colours, this is available in grade 304 stainless steel or 316 stainless steel for when you need a cycle stand to battle the elements or be placed in more aggressive environments such as industrial or coastal areas. Brush satin finish.
