

Moreland Canopy

The Moreland Canopy is a truly versatile wall mounted canopy and is available in standard modules from stock, or as a tailored unit to suit your requirements. It can be installed for a variety of applications including covered walkways, cycle parking and motorcycle parking. This canopy gives clear access and is ideal for situations where floor space is restricted.

Manufactured from a mild steel frame, hot dipped galvanised as standard and can be powder coated in a wide range of RAL or BS colours. The roof can be clad with UV stable PET Sheeting or multiwall polycarbonate,

Customisable options include:

- Powder coating in a range of RAL colours
- Bespoke sizes available on request
- Guttering

Advantages of this design include:

- Monopitch roof for water run-off
- Minimal design increases usable space beneath
- Extends usable outdoor space
- Low Maintenance

Ideal for:

- Entrance
- Outdoor classrooms
- Courtyard covers

Our steel structures are manufactured to BS EN 1090 standards.
