

Woking Seat

Ask yourself what you want from your outdoor seating: We'd guess that stylish, versatile and durable would be amongst your first answers. That's exactly what the Woking Seat is. It's absolutely ideal for busy public spaces such as town centres, schools and colleges, and is also available in a double-sided version too.

With a frame that is galvanised and powder coated to any RAL colour of your choice, and timber slats in hardwood or softwood, this is a great addition to any area in which it is placed. It is also available with armrests, and with fixing bolts concealed within the legs for ground fixing, what you have here is a well-balanced, modern seat.

The Woking Seat is also available as a double sided bench.
