

Harrogate Cycle Stand

Perfect if you are looking for a cost-effective cycle storage solution, the root fixed Harrogate Cycle Stand is manufactured from mild steel and hot dipped galvanised as standard. This is a popular design as it allows the bike to be secured by wheel and frame to prevent theft.

This cycle stand is also manufactured in grade 304 stainless steel, brushed satin finish with a semi-circular head, and gives you the option of being surface mounted plus having a powder coating (most BS or RAL colours are available). There is a real need for outdoor spaces to provide the products to ensure increased security for cycle owners, and the Harrogate Cycle Stand allows you to this economically.

H: 1100mm x D: 770mm x Dia: 48mm
