

Sheffield Cycle Stand With Mid-rail

Named after the Steel City you'd be expecting a tough, durable cycle stand, and the root fixed Sheffield Cycle Stand with Mid-rail doesn't disappoint. It's one of the most popular cycle stands at Bailey Streetscene, as its simple design allows it to be used in both urban and rural landscapes.

Manufactured from mild steel and the hot dipped galvanised as standard, it's also available manufactured from grade 304 or 316 stainless steel for more aggressive environments such as industrial or coastal areas. It comes complete with a steel mid-rail which serves multiple purposes including adding an extra locking point for your bicycle.

Additional Options: Root fixed as standard with a surface mounted option available. Powder coating to most BS or RAL colours available. Bright polished finish or brushed satin finish. A rubber bung can be added for use as a door guard.

H: 1100mm x L: 750mm x Dia: 48mm
