

BOWMAN™ OPTION C COMBINATION DISPLAY

Our **Bowman™ Option C Combination Display**, crafted in FSC and PEFC certified oak, blends secure flexibility with timeless style. It features a lockable notice board for regularly updated posters and flyers alongside a permanent display panel, ideal for maps, interpretation, and visitor information.

Perfect for parks, heritage sites, and community spaces, it helps people navigate their surroundings while learning about local history and nature. Durable, sustainable, and elegant, it's a practical solution for engaging public communication.

Product features
