

BOWMAN™ OPTION B COMBINATION DISPLAY

Our **Bowman™ Option B Combination Display**, crafted in FSC and PEFC certified oak, combines open community use with permanent information display. It features an open-fronted pinboard, allowing notices and flyers to be added or updated freely, alongside a fixed display panel ideal for maps, interpretation, or visitor guidance.

Designed for parks, heritage sites, and nature reserves, it encourages participation while helping visitors learn about their surroundings. Durable, sustainable, and welcoming, it offers a practical solution for inclusive public communication.

Product features

- Hardwood FSC and PEFC Oak construction
- Removable graphic panel
- Open access cork pinboard
- Preservative finish
- Standard size A2 notice board
- 1 year manufacturer's warranty

Specification applies to the standard product. Our range of options usually allow us to accommodate any differences you may require. Please contact us and we will be happy to support you in developing this specification to meet your requirements.
