

**PRODUCT : 75MM SPEED RAMPS (Chequered)**

**75MM END SPEED RAMPS ( Chequered)**

This Ramp Kit enables traffic calming when required. Supplied with built-in cats eyes. These Kits are usually installed at Car Parks, Shopping Centres, and Private Businesses. There are two different heights of Speed Ramp 50mm and 75mm. Both are designed to enforce different speed restrictions 10MPH (50mm) and 5MPH (75mm).

These Speed Ramps are designed to withstand constant wearing and are manufactured with high-grade recycled PVC to ensure these ramps stay intact after years of use.

These kits are supplied with fixing bolts
