

GRENADIER™ FINGERPOST

Our aluminium and Oak **Grenadier™** fingerposts provide an excellent wayfinding solution for attractions, combining durability and style. The robust aluminium construction ensures longevity, withstanding harsh weather conditions, while the elegant oak detailing adds a classic touch to any environment.

These fingerposts are designed to guide visitors efficiently, offering clear directional signage that enhances the visitor experience. With a timeless look and resilient build, they are a practical, long-lasting choice for any venue or attraction.

Product features

- Hardwood PEFC Oak and aluminium construction
- Self adhesive vinyl lettering and logos
- Preservative and powdercoat finish
