

Stepped Bollard

114mm

Galvanised or Galvanised & Colour

A functional bollard, robust in design; the Stepped Bollard is constructed using mild steel, galvanised to ensure its longevity.

The step offers a decorative feature with the option of adding reflective tape for added visibility.

The bollards are available in a galvanised and a galvanised and coated finish. RAL number must be specified at time of order.

Supplied Concrete in as standard, Bolt down and Removable versions are also available. Please ask for more information. Fixing down bolts for the flanged version, and padlock to secure the removable version are available at an extra cost.
