

Maintenance

waterscapes LD
WATER FEATURE & IRRIGATION SPECIALISTS

Waterscapes is a major provider of commercial water features & irrigation systems. A key part of the ongoing success of our installations is the planned and reactive maintenance services we provide.

Current maintenance contracts include both public and private sector clients throughout the UK.

Our technical capabilities and ability to develop and learn through experience, allows us to adapt to the changing needs of our customers.

- Friendly and professional advice.
- Emergency call out service

Water Feature Maintenance

We can help you to correctly maintain your water feature or fountain to ensure its quality, safety & visual appeal together with promoting component longevity.

We have a nationwide team of engineers who can help you when and where you need it.

- Long term maintenance and service packages.
- Regular site visits to suit your requirements.
- All work carried out by our own team of fully skilled and experienced engineers.
- All engineers are confined space trained and use certified access & monitoring equipment.
- Consumable items including treatment chemicals, lamps & spares supplied.

mainten

Irrigation System Maintenance

Whether your irrigation system is within a fully landscaped retail or business park, a residential garden, or a sports turf area, we can help you maintain your system correctly.

- Spring start up and winterisation service.
- Interim health checks to ensure the continuing correct operation of the system.
- Complete supply of all spares connectors to pump systems.
- Onsite training and demonstrations.
- Bespoke packages to suit your requirements.

ance

We would welcome the opportunity to discuss your maintenance needs.
