## Bowman™ Option B Combination Display

Our **Bowman™ Option B Combination Display**, crafted in FSC and PEFC certified oak, combines open community use with permanent information display. It features an open-fronted pinboard, allowing notices and flyers to be added or updated freely, alongside a fixed display panel ideal for maps, interpretation, or visitor guidance.

Designed for parks, heritage sites, and nature reserves, it encourages participation while helping visitors learn about their surroundings. Durable, sustainable, and welcoming, it offers a practical solution for inclusive public communication.
