Waymarking Post - Oak

Our Oak **Waymarking Posts**, crafted from PEFC-certified timber, offer a natural and robust solution for trails, parks, and outdoor spaces. Using responsibly sourced green oak, they combine traditional character with long-lasting performance in demanding environments.

Optional extras include colour-coded bands to guide users along multiple routes, waymarking discs for orientation and brand reinforcement, and engraved details such as directional arrows or logos, delivering clear navigation, sustainability, and excellent value while complementing natural landscapes.

Product features

- * Hardwood PEFC Oak construction
- * Optional discs, engraved detail and colour coded bands
- * Preservative finish
- * Standard size 900mm out of ground
- * 1 year manufacturer's warranty
