

HARDWOOD TIMBER DECKING

PRODUCT SPECIFICATION

- Woodscape Hardwood Timber Decking is a very popular choice due to its natural appearance and proven performance, being very hardwearing and robust.
- Hardwood Timber Decking is the ideal product to use for landscaping schemes, the public realm and even the seafront. At Woodscape, we offer Marine Grade Hardwood Timber Decking suitable for coastal environments.
- A choice of smooth, grooved and anti-slip aggregate profiles are available.
- Manufactured from Naturally Very Durable Hardwoods, decking is custom manufactured to specific dimensions that suit your project requirements.
- All boards are supplied over length, to allow for final cutting during installation.
- Available in FSC Certified Hardwoods.
