

# TOOTING SEAT

## PRODUCT SPECIFICATION

- The Tooting Seat is made from high quality Naturally Very Durable Hardwood. The simple, natural appearance and robust construction means this seat is perfect for a range of external spaces and landscapes.
- Supplied in three standard lengths of 1800mm, 2000mm and 2500mm, however custom lengths are available upon request.
- Typical seat width is 575mm x 400-500mm high above ground level, with an overall height is 1010mm with backrest, however custom seating heights are available upon request.
- The Tooting Seat is available in a straight configuration, with a straight or waved backrest.
- Legs are 65mm square as standard.
- Supplied fully assembled with a choice of surface fixed (SF) or built-in 200mm (BI) below ground.
- A lighter specification Tooting Seat is available in 1800mm+ lengths and 575mm wide as standard.
- A Stainless Steel 'trickstoppa' can be factory or retro-fitted to seating to deter skateboarders.
- To specify use product code TOOTING SEAT, length, fixing, seat height, backrest.
- Available in FSC Certified Hardwood.
