

SWANSEA SEAT

PRODUCT SPECIFICATION

- The Swansea Seat is made from high quality Naturally Very Durable Hardwood and features Stainless Steel armrests and legs. The simple, natural appearance and robust construction means this seat is perfect for a range of external spaces and landscapes.
- Supplied fully assembled with a choice of surface fixed (SF) or built-in 200mm (BI) below ground.
- A Stainless Steel 'trickstoppa' can be factory or retro-fitted to seating to deter skateboarders.
- Supplied in one standard length of 1800mm, however custom lengths are available upon request.
- To specify use product code SWANSEA SEAT length, fixing.
- Typical seat width is 400mm x 450mm high above ground level however custom seating heights are available upon request.
- Available in FSC Certified Hardwood.
- The Swansea Seat is available in a straight configuration.
