Measurements

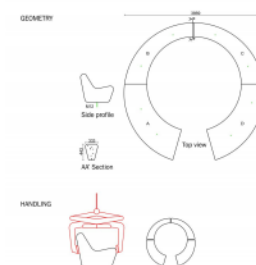

- ✓ Ø 390 cm / 43-79 cm - 5.280 kg

Discover the bench with a twist, our In and Out Bench Designing public street furniture remains a challenge for any designer. Thanks to Lucile Soufflet, with the creation of her In and Out, we can add a unique outdoor bench to our product range. To be able to cast these concrete benches, complex formwork is required. The In and Out consists of 4 segments and for each...
