

**6027R** - Robinia Hurdles

## Trim Trail - Robinia - Hurdles

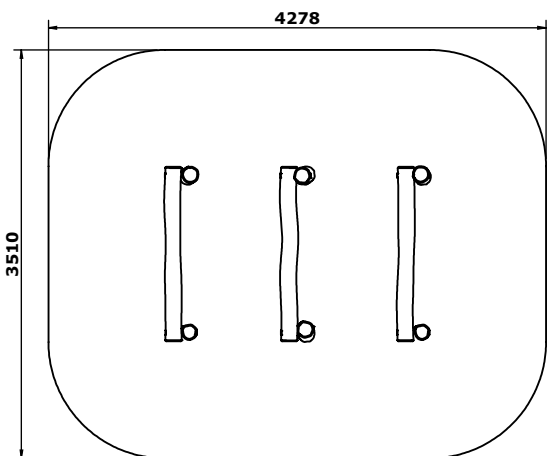

Following on from our successful trim trail range is our new Robinia trim trail.

You can hop over, jump over or vault over these hurdles. You can also drop and roll under them for a different take on them. The Hurdles can also be provided in different heights for different ages.

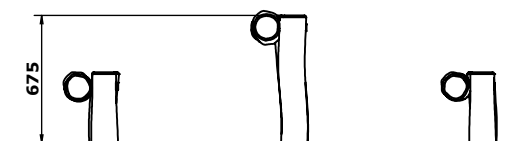

Robinia is one of the hardest European woods and offers superior longevity over pine or other softwoods. Pairing Robinia timbers with our high-quality stainless-steel fixtures make for a trim trail that can withstand years of fun!

As well as improving balance and coordination trim trails improve strength and fitness without you even realising it. The range can be used individually or placed together to create challenging courses for all ages and abilities.
