

6023R - Robinia Parallel Bars

Trim Trail - Robinia - Parallel Bars

Following on from our successful trim trail range is our new Robinia trim trail.

Parallel Bars can be used for climbing and swinging encouraging children to find new ways to play.

Robinia is one of the hardest European woods and offers superior longevity over pine or other soft woods. Pairing Robinia timbers with our high-quality stainless-steel fixtures makes for a trim trail that can withstand years of fun!

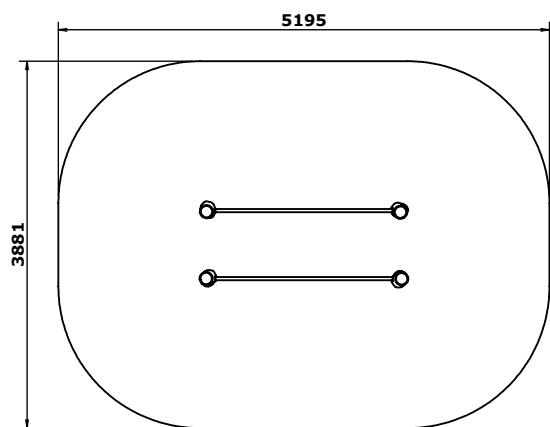

As well as improving balance and coordination trim trails improve strength and fitness without you even realising it. The range can be used individually or placed together to create challenging courses for all ages and abilities.
