

6016R - Robinia Parallel Ropes

Trim Trail - Robinia - Parallel Ropes

Following on from our successful trim trail range is our new Robinia trim trail.

The Parallel Ropes can transport you to scenarios that are challenging and exhilarating. You can be crossing over a stream or a ravine, the choice is yours! Great for building upper body strength, the Parallel Ropes provide a wide range of movement, making crossing the item challenging.

Robinia is one of the hardest European woods and offers superior longevity over pine or other soft woods. Pairing Robinia timbers with our high-quality stainless-steel fixtures makes for a trim trail that can withstand years of fun!

As well as improving balance and coordination trim trails improve strength and fitness without you even realising it. The range can be used individually or placed together to create challenging courses for all ages and abilities.
