

# Artificial Surfaces

**Active Leisure can install** a range of synthetic sports surfaces for most sports. Be it a small practice area or a full sized pitch we have products available from some of the World's leading sports manufacturers.

## SURFACES TO SUIT MOST SPORTS INCLUDING

<b>GOLF</b>	<b>CRICKET</b>	<b>RUGBY</b>	<b>NETBALL</b>
<b>BOWLS</b>	<b>FOOTBALL</b>	<b>HOCKEY</b>	<b>BASKETBALL</b>
<b>CROQUET</b>	<b>TENNIS</b>	<b>MULTIPLAY</b>	<b>5-A-SIDE</b>

There are many items to be taken into account when considering a synthetic sports pitch. Active Leisure can help guide you through the options to ensure you have the right surface for your requirements. We have many surfaces available many with approvals or conforming to standards set by, FIFA, the FA, the RFU, the World Bowls Board, the FIH, the ITF and others. Alternatively we have many non approved surfaces offering good value, hard wearing practical abilities to suit your need or budget.

We would be pleased to help at the early stages of a project with advise, design or budgetary assistance, or simply to build a facility based on your designs. We can tailor our services to suit your requirements.
