

Langford

Outdoor Furniture

Branson Leisure steel furniture is designed not only to be functional and elegant, but is also immensely strong and therefore highly vandal resistant. The 100% steel construction is available with a choice of three finishes:

- Polyester coated
- Galvanised
- Polyester coating on galvanised

The Langford bench has an ergonomic seat and back for maximum comfort. The design uses an attractive decorative scroll effect on the arms and legs to make this equally at home in a park, sports club, street or domestic setting.

The unit is available with or without arms. The Langford standard length is 180cm.

Colour shown is Green RAL 6005.

For coastal regions where a high salt element is present in the atmosphere, a galvanised finish is recommended.

As all our furniture is built to order, it is possible to vary the size and colour from the standard specification. We would be pleased to quote for any special requirements.
